

## Leadership Development AT THE BANFF CENTRE

### Customized Learning Solutions for Your Organization

Leadership Development at The Banff Centre can design and deliver customized leadership development solutions to align with your organization's vision, mission, values, and culture.

Banff Centre custom clients benefit from our ongoing leadership research, [experienced facilitators](#), and innovative resources that can create organizational capacity in areas such as:

- › Building your next generation of leaders
- › Developing your organization's current leadership talent pool
- › Strategic thinking and problem-solving
- › Leading complex change
- › Enhancing cultures of accountability
- › Building performance measures

Following our thorough and proven "needs" conversations, we collaborate with you to co-create a focused program that delivers sustainable and positive impacts to your organization. We are a proven partner in custom designed programming that aligns with developmental needs, pace of change, business environment and culture.

The Banff Centre has fostered a number of partnerships with leading corporations and institutions. We are proud of the relationships we have developed with organizations such as:

- › Alberta Finance
- › ATB Financial
- › Canadian Natural Resources Ltd.
- › Canadian Pacific Railway
- › Cenovus Energy
- › Dakota Ojibway Tribal Council
- › Encana Corporation
- › Farm Credit Canada
- › Manitoba Hydro
- › SaskPower
- › TransAlta Corporation
- › WorleyParsons
