

Age Friendly Community Planning - Golden

Assessing Priorities and Needs

Thank you for taking the time to complete this survey by the Town of Golden's Age-Friendly Community Plan Task Force. The Task Force is undertaking an assessment of the "age-friendliness" of Golden (see below) for those aged 50 and older. The World Health Organization describes several key features that make a community "senior-friendly":

1. Outdoor spaces and public buildings are pleasant, clean, secure and physically accessible for people using wheelchairs, walkers, scooters, etc.
2. Transportation is accessible and affordable
3. Housing is affordable, accessible, well-built, well-designed, conveniently located near services and transportation, safe and secure
4. Social participation opportunities in leisure, social, cultural and spiritual activities accommodate older adults' interests and abilities and include people of all ages and cultures
5. Respect and social inclusion fosters positive images of aging and intergenerational understanding
6. Civic participation and employment includes older adults' desire to be involved in volunteering, becoming politically active, vote, and help ensure economic security through remaining employed or finding new employment
7. Communication and information is both readily accessible and in formats that are appropriate for older adults
8. Community support and health services are well-located, easily accessible, affordable and appropriate to older adults' needs

Your feedback and suggestions on the services and programs used by older adults (aged 50 and older) will help determine the Town of Golden's funding priorities for improvements to the "age-friendliness" of Golden and Area A. Your feedback will remain private and will never be connected with your name.

Instructions: This survey should only take about 20 minutes of your time. Your answers will remain anonymous and confidential. By filling out this survey you can choose to be entered into a drawing for one of six \$25 gift certificates from The Island Restaurant. If you do not use a service, please select "No opinion." The Town of Golden expects to publish the results of this survey in spring 2014. If you need help completing this survey, please call the Consultant, Ryan Watmough at 250-344-8610.

Submissions must be received by the Task Force by April 28, 2014.
You can also learn more about this project and complete this survey online at:
